

EXGEL®

Owl Adjustable Kids Cushion

Can be customised

Offers pelvic stability

EXGEL top layer

Easy to clean

EXGEL layer is removable so it can be used on other seating surfaces.

Wipeable surfaces for easy cleaning.

Pre-contoured base provides pelvic stability and optimal leg positioning.

EVA foam abductor/pommel can be cut or glued to change height.

Wedge shaped pads enhance pre-ischial contour and can be easily attached/detached with Velcro to the base.

Cushion Dimensions

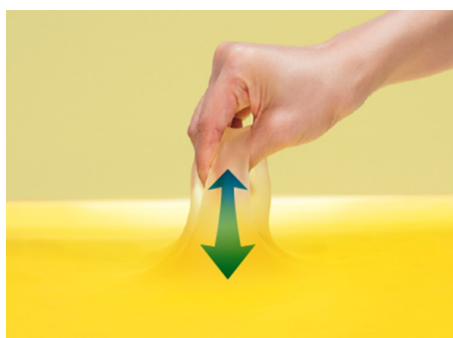

Detachable Gel Sheet

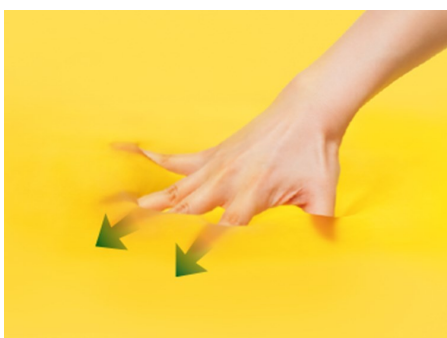

- Gel Sheet can be detached from the cushion and be used on different seat surfaces.

OWL KIDS ADJUSTABLE		
Width x Depth (inch)	Product Code	Cover Options
10x11	OWK02-BK1-2628-G	<i>Breathable Cover as Standard.</i>
11x12	OWK02-BK1-2830-G

13x13	OWK02-BK1-3234-G	

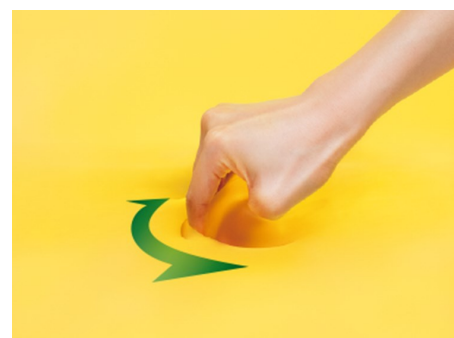

The secret of EXGEL is its softness...

Flexibility to
distribute pressure

Elasticity to
absorb shock

Fluidity that goes
hand-in-hand with
movement
